

# Documentary Filmmaking Summer School

*Stacey Dooley Investigates, Cowspiracy, Louis Theroux, Blue Planet*

The rise of documentaries is all around us. But what stories are really around us, in the heart of Bath?

Work together with a film director and professional team at the egg theatre, to create your very own documentary this summer.

Over the three days you will storyboard, take on your own team role and shoot your film to be screened later on in the year.

Dates: 24<sup>th</sup>-26<sup>th</sup> July

Times: 12pm-4pm daily  
lunch will be provided on arrival

Location: The egg theatre will be your base, with filming taking place in various locations around Bath.
